

## French Intent at The Acorn Federation

During their learning journey at The Acorn Federation, we focus on the national curriculum aims:

- To be able to understand and respond to spoken and written French.
- To be able to speak with increasing confidence, fluency and spontaneity.
- To continually improve the accuracy of their pronunciation.
- To be able to use a variety of grammatical structures.

## Implementation of the Curriculum

- The Acorn Federation uses Oak Academy scheme of learning. This follows the National Curriculum and each lesson involves a brief recap on prior learning in the form of a quiz.
- The programme runs on a two-year rolling system for Upper key stage 2 to ensure all aspects are covered by the end of their primary learning journey.
- This knowledge is set out clearly, with an age appropriate explicit spine of grammar and sets of vocabulary. Phonics feature regularly in each lesson and are often revisited.
- Oak academy ensures teaching is carefully planned to compel thinking, thinking drives learning, and success in learning is motivational.

## Impact

The impact for the pupils is that they will be well equipped for learning languages at secondary school.
