Increase attainment for pupils eligible to receive PP funding to make accelerated progress over the year.	All teaching to be at least good. HT to monitor teaching throughout the school.	EEF Toolkit – <i>‘Quality of teaching is the single most important driver of pupil attainment and a range of other positive outcomes. Maximising the quality of teaching through the effective deployment and development of teachers and teaching assistants will therefore be at the top of any school’s priorities.’</i>	Lesson observations, book scrutiny, learning walks – led by TB and LA advisor. Good practice to be shared across The Acorn Federation; observing parallel classes; staff planning together. Support to be provided when a need is identified. Progress for pupils entitled to PP to be accelerated so the gap in attainment closes.	Interventions to be planned to target gaps in learning.	EEF Toolkit – <i>‘Evidence indicates that one to one tuition can be effective, delivering approximately five additional months’ progress on average. Evidence also suggests tuition should be additional to, but explicitly linked with, normal teaching, and that teachers should monitor progress.’</i>	Interventions will be reviewed at least 3 times a year. Pupils entitled to PP will be discussed at Pupil Progress meetings. Monitoring of delivery of interventions.	TB	October 2022 December 2022 February 2023 April 2023 May 2023 July 2023

In the next academic year we will continue to use this approach but will ensure our monitoring is rigorous so we can closely measure the impact of this approach.	£0
