

Key Knowledge - What I will know at the end of the unit

I know the story of Noah, and can consider what it was like for him to follow God.
I know about the covenant that Christians believe that Noah made with God, making links to the promises that Christians make at a wedding ceremony.
I will know about several texts that share stories from the Old Testament about people of God.
I know why it is important to return to the original text for meaning rather than learning the story from videos or children's books.
I know about the story of Abram/Abraham and the covenant that he made with God.
I know why following God might sometimes feel hard for believers.

So how does it all work?
