

### Sticky Knowledge – What I already know

I know about the key events from Palm Sunday until Easter Day in the Christian Salvation story.

I know about the Christian belief that Jesus saved his people from their sins by dying on the cross and rising again three days later.

I know some of the signs and symbols linked to the celebration of Easter why these are important for believers.

### Key Knowledge – What I will know at the end of the unit

**Easter** is a very special time for Christians. It is when they remember the story of Jesus and the important things he did.

A long time ago, Jesus rode into a place called Jerusalem on a donkey. People were very happy and waved palm leaves. This day is called **Palm Sunday**.

Later in the week, something very sad happened. Jesus died on a day called **Good Friday**. Christians remember this day and feel very sad.

But the story does not end there! On **Easter Sunday**, something amazing happened – Jesus came back to life! Christians believe this shows that Jesus brings new life and hope. They feel very happy on this day.

People celebrate Easter in different ways. Some go to church and pray, while others give Easter eggs and talk about the Easter Bunny. The eggs are special because they remind Christians of the new life Jesus brings.

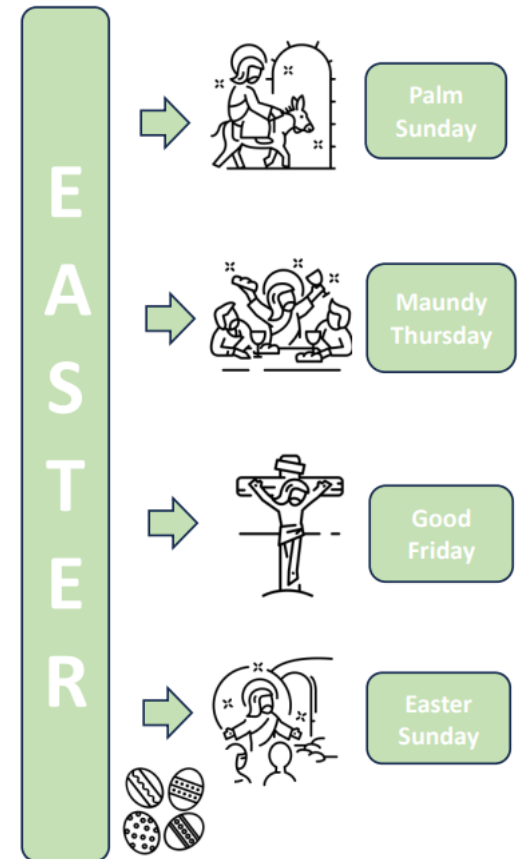

Easter is a time of happiness, hope, and new beginnings!
