Move to rhythm

Dance in formations

Dance in response to stimuli

Changing speed and size

Create moves for a story

Key Vocabulary

Dance	Moving your body to music in a fun way.
Copy	Doing the same thing you see someone else doing.
Combine	Putting two or more things together to make something new.
Sequence	Doing things in a special order, one after the other.
Actions	Movements you do with your body, like jumping or clapping.
Level and Height	How high or low your body is when you move. For example, standing up tall or crouching down low.
Repeat	Doing the same thing again.
Stimuli	Things that make you want to move or do something, like a song or a picture.
Rhythm	A pattern of sounds that you can move or dance to, like the beat of a drum.
