Royal Mile

## Capital Cities

Each country of the United Kingdom has its own capital city with a river running through it. In each of these capital cities there are many famous landmarks and tourist attractions. There are also universities, cathedrals, hotels, parliament buildings, theatres, shops, stadiums, shopping centres, leisure centres, offices, restaurants and cafes. In all of these cities you can travel by car, bus, train and bike but London is the only one of these capital cities where people travel underground on the tube.

## Wales

Capital City: Cardiff

River: Taff

The River Taff flows into Cardiff Bay then into the Bristol Channel.

The Principality Stadium

Millenium Centre
