Cuba is an island. It is located where the Gulf of Mexico, Caribbean Sea and Atlantic Ocean meet. Cuban music mixes Spanish melodies and West African rhythms.

There are lots of genres of Cuban music including the rumba, cha-cha-cha, mambo, salsa, bolero, guaguaco.

Tongo

(progression song)

Can I sing the call-and-response song *Tongo* and accompany it with a drone on note D?

Cuban music has a special rhythm called 'clave'.

There are two types:

The 2 3 clave = rest 1 2, 1 2 3
