Sticky Knowledge - What I already know

I know for Christians the holy texts are found in the bible

I know a Christian place of worship is a church

I know different religions celebrate in different ways and have different festivals such as the Hindu festival Divali and the Christian celebrations at Christmas and Easter

I know some stories and parables in the bible

Key Knowledge - What I will know at the end of the unit

Jewish people have many items in their homes which help them show that they follow the Jewish faith.

A **mezuzah** box contains the **Shema**, a very important prayer from the Torah which tells Jews about their relationship with **God**.

Sometimes there will be a **star of David** on mezuzah box or somewhere else in a Jewish home to show people that the home is a Jewish home.

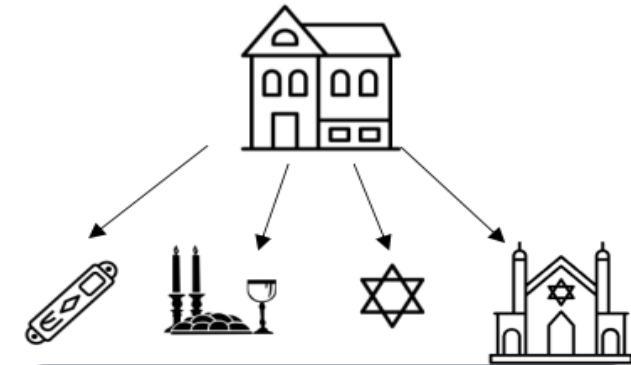

You can also find a Star of David in a **synagogue** to show it is a Jewish place of worship.

Some Jewish people will also keep **Shabbat** when they will not work or travel and will have a special meal to remember the day God rested when he had created the world.

The festival of **Chanukah** helps Jewish people remember when there was only enough oil to keep the temple menorah lit for one day but it stayed alight for 8 days

Some of the stories in the Torah are also in the bible like David and Goliath

So how does it all work?

At home and at the
synagogue
