

### Sticky Knowledge – What I already know

- I will know there are differences between people that are not always respected
- I can identify different origins, national, regional, ethnic and religious backgrounds and define the word respect.
- I can understand and identify stereotypes, including those promoted in the media.
- I know that the information we see online, either text or images, is not always true or accurate.
- I know about and describe different types of friendships and relationships and their differing positive qualities.
- I know that all people are unique but that we have far more in common with each other than what is different about us
- I know what prejudice is

### Key Knowledge – What I will know at the end of the unit

- I know what is meant by personal body space
- I know how people are different and can recognise the consequences of aggressive behaviour
- I know there are different types of families
- I know what is meant by the term community
- I know how to show respect when listening to or challenging others
- I know what stereotypes mean and how this can affect how people are treated by others

### Key Themes

Bullying, diversity identity, prejudice, respect, stereotypes, gender expectations, protected characteristics, assertiveness, relationships, keeping safe, being yourself, British values, self esteem, conflict resolution, tolerance, community
