

Maths Knowledge Progression

This document sets out the expectation for Maths learning in each term for each year group. It is divided into sections within different parts of the maths curriculum.

Garden Class

	EYFS			Year 1			Year 2		
				Algebra					
	Autumn	Spring	Summer	Autumn	Spring	Summer	Autumn	Spring	Summer
Equations									
Formulae									
Sequences									

Maths Knowledge Progression

Lower KS2

	Year 3			Year 4		
	Statistics					
	Autumn	Spring	Summer	Autumn	Spring	Summer
Equations						
Formulae						
Sequences						

Maths Knowledge Progression

Upper KS2

	Year 5			Year 6		
	Statistics					
	Autumn	Spring	Summer	Autumn	Spring	Summer
Equations				To express missing number problems algebraically	To express missing number problems algebraically	To find pairs of numbers that satisfy an equation with 2 unknowns
						To enumerate possibilities of combinations of 2 variables
Formulae					To use simple formulae	To use simple formulae
Sequences				To generate and describe linear number sequences	To generate and describe linear number sequences	To generate and describe linear number sequences
