OCTOBER 2022

WELCOME TO OUR NEW FAMILIES!

We hope you are settling in, and we look forward to you joining activities throughout the year.

PORTACABIN

Last year saw the refurbishment of the portacabin, it now provides a learning space for all children. It has been used for SATS, One to One teaching, music lessons and meetings.

FOLL usually meet monthly (at school, a cafe or sometimes the pub!), all parents are welcome to attend. Any help no matter how small is always appreciated. You don't need to commit to anything long term, you can just offer to help on an ad-hoc basis.

School Garden

Did you know that you are welcome to help with the school garden. Last year the children grew lots of vegetables, but it needs constant care and attention to keep it looking good
