Knowledge Organiser How and why do people try to make the world a better place?

Autumn Term 1 2025

Year 3

Sticky Knowledge - What I already know

I know about Genesis 1 and what this account of creation tells Christian and Jewish people about caring for the world, and think carefully about different ways in which they might care for people in the world.

Key Knowledge - What I will know at the end of the unit

- Many religious and non-religious worldviews tell people what is wrong with the world and suggest how it can be put right.
- The Golden Rule is something that worldviews view as something that everyone can follow.
- In **Jewish** worldviews there is the teaching of Tikkun Olam which means to mend or repair the world. This can be done through charity work and caring for the planet or acting as a steward because God asked people to look after the earth, he had created for them.
- Stewardship is also important in **Christianity** and **Islam** as God asked humanity to look after the earth he had created. Christians believe the Jesus came to bring them salvation so that rift between God and humanity at the Fall can be repaired. They believe that Jesus died on the cross so that they could have a new relationship with God.
- **Muslims** believe they have a duty to make the world a better place for the people who live in it as a form of worship to Allah. One of the five pillars of Islam, Zakat requires them to give charity to help people poorer than they are.
- People who follow the Humanist worldview view believe that we have a duty to help everyone because we are human.

So how does it all work?
